

WE INVEST IN YOUR SUCCESS

In this fast-paced environment of regulatory changes and reimbursement challenges, it's more important than ever for you to stay ahead in the industry. **Solutions** has the knowledge and resources for success. We specialize in providing operational, clinical, financial and educational support for skilled nursing, assisted living and independent living facilities.

What You Need = Solutions

From education and analysis to implementation, our broad array of services provides the specialized resources you need at an affordable price. Some of our consulting services include:

- PPS Analysis
- Operations Assessment
- Medicare Program Training
- Managed Care Contract Review
- Part B Utilization Review and Training
- In-house Therapy Review
- Staff Development
- ARD Management
- MDS/RUG Review and Training
- Case Mix Analysis
- Mock Surveys/Correction Plans
- Clinical Support and Education
- Market Analysis
- Financial Consulting
- Care Plan Review
- RUG Rate Estimates

What You Want = Solutions

You don't want recommendations. You want **Solutions**. Our strategic approach includes using effective training methods to educate your interdisciplinary team, helping you improve your operational efficiencies and revenue cycle management. Development and oversight of clinical programs and effective marketing strategies to facilitate census development are customized to your unique goals.

Solutions = Success

Our company consists of a diverse range of full-time employees, each of whom has more than 25 years of professional experience. From compliance specialists and clinicians to educators, accountants and auditors, we have the right expertise to meet your needs. Whether you're looking to expand facility operations or ensure resident advocacy, our knowledge and experience can develop and implement solutions to enhance profitability, resident outcomes and survey results.

When you partner with **Solutions**, you can be confident that you're on the road to success. Begin your journey today by calling **844-399-9887**.
